Explicit medical document consents

I explicitly consent to inspection of the sports medical clearance and retention of a minimal verification record for the selected edition, exclusively by CS YES Swimming President Cozariuc Andrei, under the privacy notice.

☐ I agree to inspection and the minimal record

I explicitly agree to uploading and temporarily storing a copy of the clearance on the website for this check, for no more than 30 days after the edition. I may refuse storage and request inspection without retaining a copy.

☐ I request inspection without retaining a copy

Consent may be withdrawn free of charge at contact@yesswimming.ro or contact@festivalulnatatiei.ro, without retroactive effect. Refusing copy storage does not cancel the approved place. Inspection is scheduled before the edition deadline; participation is not permitted without checking valid clearance.
