Registration notifications

For an edition’s waiting list, we collect the surname, given name, email address, selected edition, and the date and version of consent. The address becomes active after confirmation using the link (valid for 24 hours). Expired, unconfirmed requests are deleted during scheduled maintenance. We send confirmation of your interest to you and to the organiser at contact@festivalulnatatiei.ro, followed by a notification when registration opens for your selected edition. The form is intended for parents or interested adults; it does not request the child’s details. We also temporarily store a fingerprint of the IP address to limit abuse.

Data controller: Club Sportiv Yes Swimming, tax identification number (CUI) 53174059, 45C Măriuca Street, Sector 4, Bucharest. Data are stored in the website database and are accessible to the organiser. We do not publish the subscriber list.

Processing is based on your consent. We retain the data until consent is withdrawn or until 31 December 2027 at the latest. You may request access, correction or erasure of your data and withdraw consent through organiser, using the unsubscribe link in the email or writing to contact@yesswimming.ro and contact@festivalulnatatiei.ro and specifying the edition or all editions. You may lodge a complaint with ANSPDCP.

Request withdrawal of consent
