Points and Rankings System 2027

Festivalul Natației – Trofeul YES Swimming | 2027

Individual points

1st: 20; 2nd: 13; 3rd: 10; 4th: 6; 5th: 4; 6th and below: 2. Points are awarded within separate event, birth-year, gender and A/SP rankings.

Relay swimmer points

Each of the four swimmers receives: 1st 20; 2nd 13; 3rd 10; 4th 6; 5th and below 4. Relay placing is determined within the A or SP relay ranking, not a combined heat.

Club relay bonus

1st: 150; 2nd: 100; 3rd: 50; 4th and below: 0. For a relay made up of swimmers from up to two clubs, the bonus is shared in proportion to swimmer numbers: a 3+1 split means 75% and 25%.

Rankings and trophies

One annual club ranking combines A and SP across all four editions. Club ties are broken by number of first places, then second places, then third places.

Best Female Swimmer and Best Male Swimmer are awarded per session based on combined individual and relay points in a single A/SP tally. Tied winners each receive a trophy.

Identical official times in a category produce equal places and points; subsequent places reflect the number of swimmers ranked ahead.
