Festivalul Natației 2027 Terms and Conditions

Terms and conditions Controller/organiser: Club Sportiv YES Swimming, tax identification number (CUI) 53174059, registered office at Str. Măriuca nr. 45C, Sector 4, Bucharest, email contact@yesswimming.ro and contact@festivalulnatatiei.ro. Website: festivalulnatatiei.ro.

1. Scope and organiser These terms govern use of the Festivalul Natației website and registration for competitions organised by Club Sportiv YES Swimming. The sporting rules for each edition, displayed before registration, form part of the conditions of participation. In the event of any discrepancy, mandatory legal provisions prevail.

2. Registration and representation. A minor is registered directly by a parent or legal representative who confirms their authority and the accuracy of the information. An adult athlete registers on their own behalf. The applicant selects the edition and eligible events and completes the single “School / sports club” field, organisation contact details and confirmation of the organisation’s prior approval, as required by the form. Relay participation is optional and the organisation confirms the team line-up. The organiser checks eligibility and available places.

3. Upload clearance only through the secure “Medical documents” module on festivalulnatatiei.ro, as JPG, PNG or PDF, no more than 5 MB, 5–10 days before the selected edition. Do not email the document as an attachment. The complete registration code identifies the application; access is verified by a temporary code sent to its registered email address. Reminders and notifications are operational and independent of promotional consent. Clearance is checked exclusively by CS YES Swimming President Cozariuc Andrei. Registration approval reserves a place and includes it in the counter before clearance is uploaded; actual participation also requires the medical document to be validated.

4. Fee and bank transfer The applicable fee is the one displayed for the selected edition and registration period, in accordance with the rules and the fee schedule in force. Payment is made exclusively by bank transfer to the account of Club Sportiv YES Swimming: IBAN RO54INGB0000999919041330 (ING Bank), beneficiary Club Sportiv YES Swimming. Payment reference: “Festivalul Natației 2027 participation fee – [Edition + athlete’s surname and given name]”. The website does not process card payments or collect card details. Registration is confirmed after eligibility has been checked and payment identified.

5. Withdrawal and refunds. A written request for withdrawal with a full refund must be received by 23:59 Romanian time on 16 May 2027 for Edition VII, 30 May 2027 for Edition VIII, 29 August 2027 for Edition IX or 5 September 2027 for Edition X. Send requests to contact@yesswimming.ro and contact@festivalulnatatiei.ro. After the deadline, voluntary withdrawal or non-attendance does not entitle the applicant to a refund, subject to statutory rights. Where medical unfitness is established after the deadline, a full refund is available under Article 7.5 of the rules, on a request received before the competition starts and a document confirming inability to participate without disclosing a diagnosis. Simply failing to submit clearance does not grant this right.

Approved refunds are paid by bank transfer. This rule does not override mandatory rights in the event of cancellation or non-performance attributable to the organiser.

6. Organisation and changes. The organiser may change the schedule, heats or logistics under the competition rules and for objective reasons, informing participants in good time. In the event of cancellation or postponement, the terms for refunds or transfers of registrations will be communicated in accordance with the law and the applicable rules.

7. Conduct and safety. Participants and accompanying persons must follow staff instructions, pool rules and the prohibition on photography/filming in changing rooms, showers, toilets and medical areas. The organiser may intervene to maintain safety and order within the limits of the law.

8. Photos, videos and results. Results and rankings are published under the rules and privacy notice. Photographs and videos identifying the athlete are used for promotion only on the basis of the applicant’s separate choice. Refusal does not affect participation, the fee or awards. Accepting these terms does not authorise live streaming or filming all participants in full. Acceptance is not an unlimited waiver of image rights.

9. Personal data and cookies Please consult the Privacy Policy and Cookie Policy. For requests concerning personal data: contact@yesswimming.ro and contact@festivalulnatatiei.ro.

10. Complaints and applicable law Complaints should be sent to contact@yesswimming.ro and contact@festivalulnatatiei.ro. Romanian law and European Union law apply, including mandatory provisions on data protection and consumer rights where applicable. No clause restricts the right to approach the competent authorities and courts.
